Лабораторная работа №13

Администрирование локальных сетей

Ищенко Ирина

Российский университет дружбы народов, Москва, Россия

Докладчик

- Ищенко Ирина Олеговна
- уч. группа: НПИбд-02-22
- Факультет физико-математических и естественных наук

Цель работы

Провести подготовительные мероприятия по организации взаимодействия через сеть провайдера посредством статической маршрутизации локальной сети с сетью основного здания, расположенного в 42-м квартале в Москве, и сетью филиала, расположенного в г. Сочи.
